

ROCK RIVER STRIDERS CIRCUIT RACE FORM

We have a Grand Prix Race Circuit to our club and we would love to have your race included! Limit of 20 races. Last years Circuit Races need to register again. By adding your race to our circuit we hope to bring more of our club members to your race. We would also list your race as a Circuit Race in our calendar on our website and in our newsletter. Some of our members may even volunteer to help at your race to earn points for their total Grand Prix score! We are only asking a \$10 fee along with the form below, filled out completely and returned no later than Jan. 31st, 2010 so that we can evaluate adding your race to our list for the Feb. newsletter that will be posted on our website at <http://www.rockriverstriders.com/>. If your race is not in the final 20 races, your \$10 fee will be returned. Thank you.
